Save Our Swimming Pool Campaign

Stop the closure of our swimming pool

PROTEST MARCH

Tuesday 15th February
Assemble 12.30
Old Swimming Pool
March to Civic Offices

In the next few weeks BRL and Dublin City Council (DCC) plan to close our swimming pool.

We, the Local Community, were never consulted during the decision process of building the new swimming pool.

If BRL & DCC close the old swimming pool, our schools, youth clubs, groups and all of us will lose out, especially the most disadvantaged.

Concerns like Life-Saving courses and Volunteer Service Providers essential to our Local Community would not be possible in the new pool, not to mention the high cost we have to bear to use it.

WE WANT TO ENSURE THAT WE KEEP OUR VALUABLE LOCAL AMENITY SO HELP US WITH YOUR SUPPORT!!!

Join the protest on Tuesday 15th February at 12.30 assembling at the old swimming pool.
